

Cremino Pistacchio

COLD PISTACHIO CREAM

A NEW CONCEPT THAT MAKES THE DIFFERENCE.

Almar Cremino Pistacchio is a new product and a unique concept that make the difference in your coffee shop and restaurant.

It is a cold Pistachio cream, very thick, very similar to an ice cream, very easy to prepare and serve. An Italian style amazing cream, for the coolest places.

Suitable for the new cold cream machines, for the best texture and flavor. Almar Cremino Gold is made with the finest ingredients without hydrogenated fats. Let us tempt you with aromas and exquisite flavour of our velvety coffee creams in five different delicious recipes.

8 GOOD REASONS TO USE ALMAR CREMINO

- 1. Unique:** It is a new product that makes the difference between your business and the other ones.
- 2. Only one product = many different tastes:** You can serve it simple or garnish with toppings, grains and decorations to create thousands of different personalized recipes.
- 3. Very easy to prepare:** Impossible to make mistakes during preparation. Just mix one bag with 700 ml of water.
- 4. Very quick to serve:** don't waste time during the service. Just pour the product from the machine into the glass
- 5. High profit:** Very low cost for each serving. Selling price is from 5 to 7 times the buying cost.
- 6. Self selling:** Customers see the machine with product in the coffee shop and ask for Cremino Pistacchio.
- 7. It's good and healthy:** it is gluten-free, no GMO, no preservatives and additives, no hydrogenated fats, no palm oil.
- 8. Direct support on site:** Almar assists you on site during introduction of Cremino to your customers
